

Reception

Please join us in our Parish Hall after the recital for a reception with food, drinks and an additional performance by **Russ Peck** on our **Lowrey Marquee Organ**.

Special Thanks

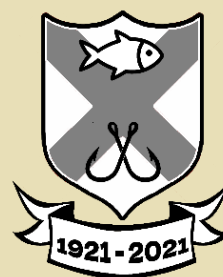

In addition to the generosity of everyone who contributed to our major organ upgrade, we have been blessed by the donation of four additional instruments to enhance our worship and fellowship from good friends during the last four years.

We appreciate the donation of the **7' Steinway grand piano** in our sanctuary from the estate of **Dr. John Dapolito**, long time member of St. Andrew's.

The white **Kawai XR-9000 orchestral organ** in the sanctuary is from the estate of **Frank and Libby Hinkle** which we have used for our Christmas cantatas and is now connected to our new Allen sound system.

The **Kawai 6' grand piano** in our fellowship hall was donated by the family of **Sallye Graves**, widow of Fr. Gerald Graves of St. John's Episcopal Church, Chula Vista.

The **Lowrey Marquee organ** is from the estate of long time dear friends **Dr. Herb and Arline Hesketh**.
